## The Little Vols Diner Moves To Bigger, Better Location

You will see the same smiling faces and the same friendly owners when you enter the new location of The Little Vols Diner. Kim Kennedy and Terri Russell got involved in the restaurant business several years ago when they re-opened Foxes Diner, they then moved after several years at that location and opened up The Little Vols Diner in 2015 at the North end of town. Kim and Terri's location at the north end of town was nice but often people would say they would come if there was more seating and more parking. When the opportunity came for them to move to their new location at the south end of town located at 711 South Main Street in Rocky Top they decided to take it and opened the doors on January 2nd! Kim and Terri have a wonderful, friendly staff that make you feel like you're eating at home without doing any of the work! The Little Vols Diner serves breakfast all day and also has a full menu that includes Chicken and Waffles, Omelets, Quesadillas, Burgers, Sandwiches, Meatloaf, Fish, Shrimp, Country Fried Steak and so much more! The Diner also has specials that include Catfish Fridays! Last but certainly not least be sure to save room for delicious homemade desserts prepared by Mrs. Keys. The Little Vols Diner is definitely family friend and even has a game room for kids near the back of the restaurant. Be sure to stop by and give them a try, you'll go back again and again! (Above is a picture of Kim and Terri with their staff, Below is a picture of the ribbon cutting they hosted with Rocky Top Chamber of Commerce)

**Applications Open For Trout Adventure Camp**

Fly fishing for trout in the Great Smoky Mountains is the focus of the ninth annual Great Smoky Mountains Trout Adventure Camp for middle school girls and boys, sponsored by the Tennessee Council of Trout Unlimited.

Registration is open now for this year's camp, to be held June 17-22 at the Great Smoky Mountains Institute at Tremont in Great Smoky Mountains National Park.

Trout Camp is designed to give campers an appreciation of conservation of our coldwater resources through the sport of fly fishing. Participants learn about stream ecology, stream physics and water chemistry along with aquatic entomology and diversity of fish species in Smokies streams. Experienced mountain anglers teach the campers fly casting, fly tying, stream etiquette and knot tying, and guide them on fishing expeditions to streams in and near the national park. Other activities include swimming and snorkeling in Little River.

Great Smoky Mountains Institute at Tremont is a private, nonprofit environmental learning center on the Middle Prong of Little River. Facilities include dining hall, classrooms, outdoor meeting shelters, bookstore/gift shop and full-time professional staff.

Girls and boys who are interested in fishing and science and who will be 12 to 15 years old on June 16, 2019, are eligible to attend the camp—Tennessee residency is not required. Applications are being accepted from Jan. 1 to June 1; selections will begin April 1. Slots fill quickly, so apply early. Only 14 campers will be accepted, but others can be placed on a waiting list in case selected campers aren't able to attend. For girls to participate, at least two must be accepted.

Campers should be in good physical condition—able to wade in streams and hike to fishing areas. To ensure physical capabilities, campers must have had a complete physical examination within the past two years.

Tuition for the 2019 camp is \$530. Financial assistance may be available through a camper's area Trout Unlimited chapter—contact information for TU chapters in Tennessee is available on the Tennessee Council website, <http://tctu.org/tn-chapters.html>
