MBSR AUGUST 27TH

JOAN R. RENTSCH, PHD

Mindfulness is defined as present moment awareness that occurs without judgment (Jon Kabat-Zinn, 1990). Mindfulness practices and MBSR have been found to be empirically related to reductions in negative experiences (e.g., rumination, stress, and emotional reactivity) and with improvements in positive capabilities (e.g., working memory, focus, and cognitive flexibility). MBSR was developed to assist patients suffering from pain and it is related to lowered perceptions of pain

Kid's Fish Free Day - June 8th

The Clinch River Chapter of Trout Unlimited will host their annual Kids Fish Free Day on Saturday, June 8th. Children will be fishing, tying flies, riding in boats, eating hot dogs and signing up for door prizes from 9 a.m. to 1 p.m. Kids Fish Free Day coincides with the statewide Tennessee Free Fishing Day, so no fishing licenses are required. The event will take place at the Miller Island boat access on the Clinch River in Norris, which is located on River Road just off Highway 441 in Norris.

To get there from I-75, take Clinton/Norris Exit 122 and turn east; pass the Museum of Appalachia and turn left on Highway 441 toward Norris Dam; just past Island Home Baptist Church, turn left on River Road; drive about a quarter-mile and take the first right into the parking lot.

Over 550 lbs. of Unused/Expired Meds Collected during Drug Take Back Days

ASAP partnered with local businesses and police to collect unused & expired medications in April

Anderson County, TN, May 2019 – ASAP of Anderson partnered with local businesses and police departments to collect unused and expired medications through the community. A total of 582.2 pounds of medication was collected at 6 different Drug Take Back sites in April. Collected medications are safely handled by police officers, turned over to DEA representatives, and then incinerated to ensure they do not find their way back into the community.

Anderson County participated in the 2019 National Drug Take Back Day this past Saturday, April 27 th . Community members brought their medications to participating police departments across the county. Participating departments included Clinton Police Department, Oak Ridge Police Department, Norris Police Department, and Rocky Top Police Department.

In addition, ASAP partnered with Oak Ridge Police Department to provide onsite collection for employees to dispose of their medications at both Oak Ridge Associated Universities (ORAU) on April 17 th and Oak Ridge National Lab (ORNL) on April 24th . These are yearly Drug Take Back events in coordination with employee Earth Day celebrations. Over 100 pounds of medications were collected at each of these onsite events.

The National Drug Take Back Day addresses a crucial public safety and public health issue. According to the 2015 National Survey on Drug Use and Health, 6.4 million Americans misused controlled prescription drugs, and that number has continued to climb in recent years. Studies show many of the misused prescription drugs are obtained from family and friends, often from the home medicine cabinet. Take Back Days provides an opportunity for Americans to prevent drug addiction and overdose deaths in our community and communities across the U.S. Items that are accepted for disposal include prescription medications (unwanted, expired, unused), antibiotics/steroids, cold and flu medications, vitamins/herbal supplements, pet medications, medication samples, and medication ointments/lotions.

Looking to dispose of unused or expired medication? Anderson County has six permanent disposal bins– one in each Police Department in Clinton, Norris, Oak Ridge, Oliver Springs, and Rocky Top, as well as at Walgreens Oak Ridge next to the pharmacy counter. These bins are available to community members anytime for disposal. For more information, contact ASAP of Anderson at 865-457-3007 or visit www.ASAPofAnderson.org. Annual Big Clinch River Cleanup
Volunteers can sign up now for the 2019 Big Clinch River Cleanup on Saturday, July 13th

The first 100 people who register for the seventh annual cleanup qualify for a free breakfast at the scenic Museum of Appalachia, 2819 Andersonville Highway, Norris. Breakfast starts at 8, with a briefing to follow; the cleanup will wrap up about 2 p.m.

Everyone who enjoys the river, from anglers to kayakers to wildlife watchers, is invited to help remove litter from the Clinch and its banks. The communitywide cleanup is an expansion of annual pickups run for many years by members of the Clinch River Chapter, Trout Unlimited, which hosts the event. Last year, volunteers gathered 60 tires and more than 2,000 pounds of trash from the river.

Volunteers work in several ways:

- * Above the water line, workers walk along riverside roads and through parking areas, gathering trash.
- * Volunteers wearing waders patrol for litter in shallow water.
- * In kayaks and canoes, volunteers work to clean shorelines and shallow water where there is no public access by road.
- * In powerboats and driftboats, volunteers haul tires and other items from the depths.

Support for all the teams is supplied by volunteering emergency medical people, ham radio operators, tire disposal professionals and workers with trucks who collect and dispose of filled trash bags.

The event traditionally starts with a free full breakfast at the picturesque museum (expenses of the meal are supported by a grant from the Tennessee Valley Authority). To sign up, please visit <https://crctu.org> and click on Big Cleanup Registration. For more information, contact Rusty Hallett at hallettrusty@gmail.com or (859) 227-1227, or Dave Easter at dleaster660@gmail.com or (865) 360-0339. The event will be held rain or shine (in case of severe weather, the breakfast will be held but volunteers will stay on shore).

Clinch River Chapter TU works to preserve and protect the Clinch River tailwater and its watershed through conservation projects and through education of children and adults in aquatic natural resources. Meetings are held the second Thursday of the month in the parish hall at St. Francis Episcopal Church, Norris, except when outdoor activities are scheduled.
