# Kid's Fish Free Day - June 8th

The Clinch River Chapter of Trout Unlimited will host their annual Kids Fish Free Day on Saturday, June 8th. Children will be fishing, tying flies, riding in boats, eating hot dogs and signing up for door prizes from 9 a.m. to 1 p.m. Kids Fish Free Day coincides with the statewide Tennessee Free Fishing Day, so no fishing licenses are required. The event will take place at the Miller Island boat access on the Clinch River in Norris, which is located on River Road just off Highway 441 in Norris.

To get there from I-75, take Clinton/Norris Exit 122 and turn east; pass the Museum of Appalachia and turn left on Highway 441 toward Norris Dam; just past Island Home Baptist Church, turn left on River Road; drive about a quarter-mile and take the first right into the parking lot.

To Residents of Rocky Top that receive mail delivery at their residence:

Did anyone bite you at work today?

On average, nearly 15 mail carriers per day will say, "Yes."

Postal Service officials report that in 2018, 5,714 letter carriers experienced dog bites or dog attacks. With deliveries every day, including Sundays and holidays, carriers continue to experience dog bites in urban, suburban and rural settings.

Dog attacks and bites are 100 percent preventable when dog owners remain vigilant and properly restrain their dogs.

To ensure mail carriers' safety, dog owners must securely lock their dog in another room until a delivery exchange is done. If outside, dogs must be leashed, at a distance from the mailbox.

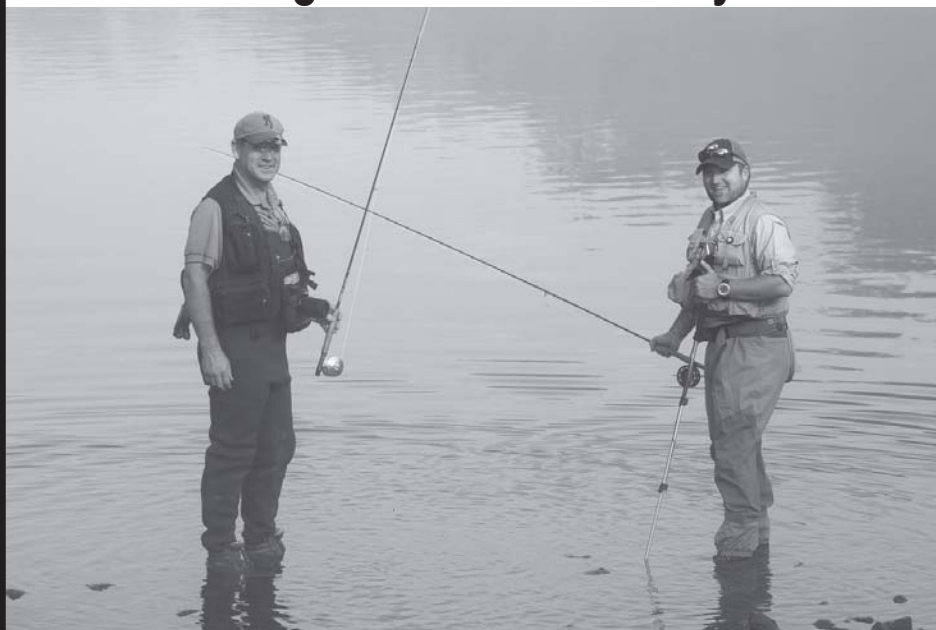

When a carrier feels unsafe, mail service could be interrupted, not only for the dog owner, but for the entire neighborhood. When mail service is interrupted, mail must be picked up at the Post Office. Service will not be restored until the dog is properly restrained.

With your help, we can keep our carriers, your neighbors and your dogs safe. Thank you for protecting your pet and our mail carriers as we continue to bring packages and correspondence to your door each day.

Sincerely,

Tina Edmonds, Postmaster Rocky Top  
 Valerie Rosenow, Postmaster Heiskell  
 Gregg Lonas, Postmaster Andersonville  
 Kristi Hamilton, Postmaster Clinton

## Trout-Fishing Event For Military Families

NORRIS—The Clinch River Chapter of Trout Unlimited is hosting a free fishing event for military families: Veterans on the Water, Saturday, May 18, from 9 a.m. to 1 p.m.

All veterans, active military personnel and their families are invited to participate. They'll get an introduction to fly fishing plus a picnic lunch and the opportunity to visit with other military families.

The free event—supported by a grant from the Tennessee Valley Authority—will take place on the bank of the Clinch at Miller Island boat ramp, River Road near the intersection with Highway 441, Norris.

No reservations are required. Families who have questions should contact Sam Hodnett, coordinator of the chapter's Veterans Service Partnership, at [shodnett@msn.com](mailto:shodnett@msn.com) or (865) 805-1507.

The Clinch River Chapter's mission is to conserve and enhance the Clinch River tailwater trout fishery and its watershed, through conservation projects and through education of children and adults in aquatic natural resources. Meetings are held the second Thursday of the month at St. Francis Episcopal Church, Norris, except when outdoor activities are scheduled. For more information, visit <https://crctu.org/>.

## ASAP Partners with Police Departments for Drug Take Back Day DEA National Drug Take Back Day in Anderson County

Anderson County, TN, April 2019 – Anderson County participated in the 2019 DEA Rx Drug Take Back Day on April 27th, 2019. Community members brought their expired or unused medicines to one of the Anderson County Take Back locations. Collection locations are located at the police departments listed below.

- Clinton Police Department, 125 W Broad St, Clinton, TN 3716
- Oak Ridge Police Department, 200 S Tulane Ave, Oak Ridge, TN 37830
- Norris Police Department, 9 W Circle Road, Norris, TN 37828
- Rocky Top Police Department, 104 Lawson St, Rocky Top, TN 37769

The National Rx Drug Take Back Day addresses a crucial public safety and public health issue. According to the 2015 National Survey on Drug Use and Health, 6.4 million Americans misused controlled prescription drugs, and that number has continued to climb in recent years. Studies show many of the misused prescription drugs are obtained from family and friends, often from the home medicine cabinet. The Take Back Day provides an opportunity for Americans to prevent drug addiction and overdose deaths in our community and communities across the U.S. Items that are accepted for disposal include prescription medications (unwanted, expired, unused), antibiotics/steroids, cold and flu medications, vitamins/herbal supplements, pet medications, medication samples, and medication ointments/lotions.

Anderson County also has six permanent disposal bins located throughout the county – one in each Police Department in Clinton, Norris, Oak Ridge, Oliver Springs, and Rocky Top, as well as at Walgreens Oak Ridge next to the pharmacy counter. These bins are available to community members anytime for disposal. For more information, contact ASAP of Anderson at 865-457-3007 or visit [www.ASAPofAnderson.org](http://www.ASAPofAnderson.org). For questions about individual locations, contact the police departments directly.

April 9, 2019

I would like to say Thank You to I-75 Auto Parts located in Caryville, TN for the generosity showed during a Tennessee Firefighting Commission testing event held on April 6th, 2019. They provided a vehicle from their property for the purpose of testing firefighters so they could obtain certification at the level of Firefighter II from the Tennessee Firefighting Commission. They provided the Rocky Top Fire Department with a vehicle and transported the vehicle for us to our designated testing site. Six (6) firefighters from Anderson and Campbell Counties attended this test event and were tested for the required practical (hands-on) exam as a result of the generosity that I-75 Auto Parts showed by providing the Rocky Top Fire Department their vehicle and giving their time. The practical exam portion of the certification process is required prior to taking the written exam to obtain certification. All six (6) participants successfully passed the practical exam of the certification process which we would not have been able to do if not for I-75 Auto Parts' willingness to help a local fire department.

Thank you,  
 Joshua S Lane  
 Training Officer, Operator/AEMT  
 Rocky Top Fire Department

**What is Safe at Home?**  
 The Tennessee Secretary of State's Safe at Home program is an address confidentiality program for victims of domestic violence and other crimes. Safe at Home aims to protect the confidentiality of the participant's address on public records and provides an official substitute address.

**Why should I consider Safe at Home?**  
 Under Tennessee law, all state or local government records are considered public and available for public review. These records include identifying documents like voter registration and driver's license information, making it easy for abusers to find you. Through the Safe at Home program, your address is concealed and secure.

*"Safe at Home provides victims and their families with a tool to help heal from their abuse, begin new lives and finally feel a sense of security in their communities."*  
 - Secretary of State Tre Hargett
