"Rocky Top City Officials present a \$500 check to ASAP of Anderson County to support the Family Drug Treatment Court."

ROCKY TOP, TN – At City Council last week, Thursday, October 20th, Mayor Michael Lovely, Police Chief Jim Shetterly and City Manager Michael Foster presented a check for \$500 to Stephanie Strutner, Executive Director of Allies for Substance Abuse Prevention of Anderson County, Inc. to support the Family Drug Treatment Court of Anderson County.

"The Family Drug Treatment Court has been under development for a number of years," said Strutner, "based on best practices from effective programs from across the country." The program is geared toward rehabilitating not only adolescents through the Juvenile Court system, but their family unit.

Juvenile Court Judge Brian Hunt said "this program offers the possibility to break the generational cycle of substance abuse many of our juvenile offenders' experience. It also offers hope; hope that these adolescents can stay out of jail as adults and become contributing members of their community."

The Family Drug Treatment Court was first funded in part by the United Way of Anderson County. The recent gift from the City of Rocky Top brings the needed funding to 50 percent. ASAP is committed to finding a way to bridge the funding gap to make this essential program happen," according to Strutner.

Police Chief Jim Shetterly said "this gift is a great opportunity for our city to show support for our children. We believe it will help provide them a new path."

For more information about or to make a donation to the Family Drug Treatment Court of Anderson County, visit [www.ASAPofAnderson.org](http://www.ASAPofAnderson.org) or call 865-457-3007.

## FISHING AND OUTDOOR SWAP MEET

NORRIS—Spincasters, fly fishers, outdoor folk of any sort can barter, buy or sell fishing, camping or other outdoor gear (no guns, please) at the annual free, public swap meet of the Clinch River Chapter, Trout Unlimited, starting at **7 p.m. on Thursday, Nov. 10**, at St. Francis Episcopal Church, 158 W. Norris Road, Norris.

Everyone attending the swap meet is invited to take along surplus items to trade or sell. There'll be bargains galore including lure-making and fly tying materials, fishing tackle, books, outdoor wear and much more. Admission to the event is free; on items sold for cash, the chapter requests donations of 10 percent to support its outdoor education programs for children, adults and disabled veterans.

The Clinch River Chapter's mission is to conserve and protect the Clinch River tailwater trout fishery and its watershed, through conservation projects and through education in aquatic natural resources. Meetings are held the second Thursday of the month in the parish hall at St. Francis Episcopal Church, except when outdoor activities are scheduled. For information about the chapter, visit [crtu.org](http://crtu.org).

## WILSON CEMETERY CLEAN-UP

Local citizens and friends from our surrounding area have been gathering to clean-up Wilson Cemetery located behind the Econo Lodge in Rocky Top. Their last effort on October 8th consisted of approximately 15 people who raked vines, cut and removed brush in the over-grown areas.

The next clean-up is scheduled for Saturday, November 5th from 8:00 a.m. to 12:30 p.m at Wilson Cemetery, 221 Colonial Lane. If you would like to volunteer or need more information visit [justserve.org](http://justserve.org).

# LAKE CITY ELEMENTARY SCHOOL NEWS

Lake City Elementary swept the Rocky Top Fall Festival. LCES took all the prizes for best scarecrow at the First Annual Rocky Top Fall Festival on October 22nd. Ms. Hopwood's class created Dorothy which won first place. Mrs. Tomlinson's Class created Junie B. Jones which won second place. Mrs. Bozeman and the Safety Patrol scarecrows won third place. We would like to thank Royalty Hair Resort, Rocky Top Outdoors and the Rocky Top Police Department for sponsoring these entries. We would also like to report that because of their study of fables and sharing, Ms. Hopwood's class gave their cash prize to the Safety Patrol for their upcoming trip and Mrs. Tomlinson's class shared a portion of their winnings with them, also. Please join us in celebrating the kindness and generosity of these students.

## VETERANS DAY

All veterans are invited to attend a special Veteran's Day program on November 11th in the auditorium at Lake City Elementary School. Each veteran will be recognized and breakfast will be served in the school cafeteria following the program.

## SELF CONTROL

Lake City Elementary School would like to recognize the following students for learning to show self-control. These students are always trying to do the right thing. They pay attention and respond appropriately. They are learning to ignore students who are not behaving appropriately. The following students received a self-control power band: Jasmine Amaya; Madison Babb; Tori Bair; Chelsea Barnes; Neylan Beaty; Emilee Braden; Drake Brandenburg; Krystine Brown; Jaylynn Bullock; Kelsey Burris; Kyla Daugherty; Katelynn Disney; Rylan Elkins; Chloe Freeman; Sarah Garbes; Raegan Green; Caden Hill; Eli Johnson; Geoffrey Lee; Cassie Maiden; Carter Melton; Jayden Nolan; Julia Owens; Riley Owens; Craig Patterson; Brandon Phillips; Heaven Pietroburgo; Kentucky Rollyson; Marley Russell; Jaylynn Rutherford; Damon Seiber; Jaylynn Seiber; Austin Smith; Belle Smith; Kylie Smith; Trent Strickland; Clara Tomlinson; Jacob Weaver; Emmily Wells; Braxton West; Dakota Williams.

Lake City Elementary School celebrated Red Ribbon Week October 24th-28th. This year's national theme is YOLO: You Only Live Once, Be Drug Free! Students were given red bracelets with the theme printed on them and Red Ribbon Tattoos were sold all week with the money raised going to ASAP (Allies for Substance Abuse Prevention) of Anderson County.

Pictured above is Mr. Chad Gibson, Lifeline Regional Director at the Metro Drug Coalition in Knoxville, who came to speak to our 4th and 5th grade students on Wednesday, October 26th. He spoke about his personal battle with drug addiction as well as his treatment, rehabilitation and recovery. Students asked very meaningful questions following the presentation. We are very grateful to Mr. Gibson for sharing his personal story with us and for having a passion to help our young people know about the dangers of drugs and alcohol and to learn from his mistakes so that they don't have to deal with the pain and loss that can come along with those mistakes. We encourage our students to focus on positive, fun and helpful ways to use their time and talents.

Lake City Elementary School staff and students want to thank the Rocky Top community for their support during their October 22nd roadblock at the corner of Norris Freeway and Highway 116. The safety patrol was able to raise more than \$616 for their trip this spring. Pictured above are members of the Safety Patrol with one of their sponsors Mrs. Rebekah Bozeman at the roadblock. Thank you Rocky Top!

The Masons of Coal Creek Lodge #492 in Rocky Top, TN would like to extend their appreciation and gratitude to the Fox family for their continued support of our community. Without the support of the civil minded businesses, such as Fox Toyota located in Clinton, TN, it would be very difficult to meet our lodge's charitable goals, especially one of our most important educational contributions, our Scholarship Program. We are so grateful that Fox Toyota has continued to support us, as their very own Eugene Fox was a 50 year member and Past Master at Coal Creek Lodge. We can't thank you enough for your helping hands.

The Masons of Coal Creek Lodge #492 in Rocky Top, TN, would also like to extend their appreciation and gratitude to Mr. Bear Stephenson for his support of the Coal Creek Lodge. Mr. Stephenson has also been supportive of our charitable goals, such as the Scholarship Program, without his help we would have a hard time meeting our charitable goals. For his continued support, we truly thank him.

*Pictured left to right: Brock Hill, Deputy Commission of Tennessee Department of Parks and Conservation, Governor Bill Haslam, Julie Graham, Mark Morgan, Norris Dam State Park Manager, Senator Ken Yager and Bob Martineau, Commission of Tennessee Department of Environment and Conservation*

Norris Dam State Park received \$84,000 through the Recreation Trail Program to purchase a trail building machine that will not only build new trails but will also enable the park to maintain existing trails. The machine will also be used in the Norris Watershed.

Julie Graham, former Director of East Tennessee Quality Growth and Chuck Morris, a volunteer, assisted the park with the application and the paperwork to secure the grant.

"Julie and Chuck's efforts are greatly appreciated by the park staff," said Mark Morgan, Norris Dam State Park Manager. "The park will not only reap the reward of their hard work but so will the adjacent Norris Watershed and ultimately the visitors using these trails."

The Recreation Educational Trail Program (RTP) is a federal funded, state administered grant program. RTP provides grant funding for land acquisition for trails, trails maintenance and restoration / rehabilitation, trail construction, and trail head support facilities. All grant projects must be on publicly owned land.
