KNOXVILLE NEWS SENTINEL NAMES POWELL CLINCH UTILITY DISTRICT A WINNER

OF THE KNOXVILLE TOP WORKPLACES 2019 AWARD

Powell Clinch Utility District has been awarded a Top Workplaces 2019 honor by Knoxville News Sentinel. The list is based solely on employee feedback gathered through a third-party survey administered by research partner Energage, LLC, a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said Doug Claffey, CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

Rob Neil, President of PCUD said, “I am very proud PCUD received this award. It reflects the positive culture of the company and its employees since the award is based solely on employees’ feedback. Being named a Top Workplace is a big deal — only 35 companies made this year’s list in the Knoxville area. Therefore, I am really honored and thankful for such a dedicated staff.”

PCUD is headquartered in Rocky Top, Tennessee with 66 employees and serves 16,000 natural gas customers in Anderson and Campbell Counties. In addition to providing safe, reliable natural gas, PCUD also offers sales, service and installation of natural gas appliances.

MBSR

AUGUST 27TH

JOAN R. RENTSCH, PHD

Mindfulness is defined as present moment awareness that occurs without judgment (Jon Kabat-Zinn, 1990). Mindfulness practices and MBSR have been found to be empirically related to reductions in negative experiences (e.g., rumination, stress, and emotional reactivity) and with improvements in positive capabilities (e.g., working memory, focus, and cognitive flexibility). MBSR was developed to assist patients suffering from pain and it is related to lowered perceptions of pain

Women on the Water— Teaching Fly Fishing Basics

NORRIS—Women on the Water, a special seminar for women who want to learn fly fishing, will be Saturday, Sept. 14, 9 a.m. to 3 p.m., hosted by the Clinch River Chapter of Trout Unlimited.

The event, scheduled in connection with the September celebration of National Public Lands Day, will be at Miller Island Public Access Area on the Clinch.

In the morning, participants will receive instruction in fly casting, knot tying, entomology, fly tying and water safety; from noon to 3 p.m., women will wade the river and fish with volunteer guides. Cost is \$30, including lunch, loaned fishing equipment for students who don't have their own and, for women not already members, a one-year membership in Trout Unlimited.

Enrollment is limited and pre-registration is required to ensure plentiful supplies of food and gear—to sign up, contact Stacy Hage, (865) 566-4383 or stacy.hage0407@gmail.com. Each participant must have a fishing license that includes trout. Note: For a single day, the "all species" license is the best value; cost for Tennessee residents, including handling fees, is \$11.50 in stores or \$14 online at <https://www.tn.gov/twra/fishing.html>.

The Clinch River Chapter's mission is to conserve and enhance the Clinch River tailwater trout fishery and its watershed, through conservation projects and through education of children and adults in aquatic natural resources. For more information, visit <https://crctu.org>.

How can I help my
child **SUCCEED** in
school?

Stay involved and feel free to contact your child's teacher with any questions or concerns.

Ask your children about school and encourage them to talk about their day.

Do not talk negatively about your child's teacher or school.

Read with your child every night.

Make sure your child is getting plenty of sleep and is ready for school each day.

Help your child with his/her homework every night.

Teach your children to be responsible for their actions and their schoolwork.

*Thank
You*

A big thank you to Chamber Member, Ray Varner Ford, for donating a Ford Fusion to Anderson County Career and Technical Center! Students in the Automotive and Mechanical Programs at the school will have a vehicle to learn their craft on!
