JULY 2016

ATV'S IN ROCKY TOP

The City of Rocky Top, the Rocky Top Chamber of Commerce and the Anderson County Tourism Council hosted a Ribbon Cutting on Friday, July 1, 2016 to celebrate the legislation passed, which allows all-terrain vehicles to ride on Highway 25W.

“Current legislation allows for ATVs to be operated on State Route 116 from Beech Grove to Highway 25,” said Mike Lovely, City of Rocky Top Mayor. “This amendment extends the riding area and allow riders from Windrock Park to access the commerce area of Rocky Top.”

Windrock Park is the largest privately-owned off-road recreation area in the country with over 72,000 acres that include off-highway vehicle trails, hiking trails and mountain biking trails. It is also home to the Buffalo Mountain Wind Farm which is comprised of 18 windmills.

“Thousands of people visit Windrock Park every year,” said Stephanie Wells, Anderson County Tourism Council’s Director. “This will allow those visitors to come into the City of Rocky Top, buy gas, eat at restaurants, stay at the hotels, etc. without having to reload their equipment.”

“Areas like the Hatfield-McCoy Trails in West Virginia have seen a very positive impact on their economy by giving ATV riders access to their towns,” continued Wells.

“This will entice people to open businesses in Rocky Top that will cater to ATV and off-road activities,” said Tim Isbel of Rocky Top Marketing

and manufacturing. “Adventure Tourism is one component of our development plan that was initiated with the name change. The potential development as it relates to ATV activities and our location on Interstate 75, within a day’s drive of 75% of the US population, combines to make the perfect environment for future development.”

“Our first priority is safety of our citizens and our visitors,” said City of Rocky Top’s Police Chief Jim Shetterly. “People wishing to ride in town will have to register and receive a permit. They will also be required to follow all safety requirements.”

All-terrain vehicles will ONLY be allowed on Highway 25W from the intersection of Colonial Lane to the intersection at Jacksboro Avenue, Highway 116 from the intersection of Highway 25W and Beech Grove Road and on Beech Grove Road from the intersection with Highway 116 to the entrance to Windrock Park and only between one-half (1/2) hour after sunrise and one-half (1/2) hour before sunset. The route will be marked with signage.

Anyone operating an ATV must be 16 years of age or older and have a valid driver’s license. Each person riding on the vehicle must wear a helmet. The vehicle must have working headlights and brake lights. If the vehicle doesn’t have turn signals, the operator must use hand signals when turning. The owner of the vehicles must have insurance on the vehicle and must be prepared to show proof of insurance. Riders must lawfully operate their vehicle at all times. Any violation to the state laws and the rules listed here will result in loss of privileges to operate vehicle on the specified road.

Riders can register with the City at Rocky Top City Hall and at the Rocky Top Police Station when City Hall is closed on evenings and weekends. Permits for Windrock Park are now being sold at Shop Rite at the intersection of Highway 25W and Highway 116 and must be obtain in addition to the City’s permit to access Windrock’s property.

25th Anniversary Library Celebration

On July 21, 1991 the Lake City Public Library celebrated a new building complete with shelves and shelves of books, new library furniture, a meeting room, as well as a large walled outdoor patio.

This year, the Rocky Top Public Library will invite friends and families to help celebrate the 25th year of that event. Friends of the Rocky Top Public Library (commonly referred to as "Friends") will celebrate this milestone on Saturday, July 23rd at 11:00AM. The theme "Then and Now" will showcase the growth and changes of library services since 1991

beginning with the move from an 800 sq. ft. area at the Recreation Center to a 3000+ sq. ft. building just across the parking area.

Please feel free to bring publications, pictures, and personal anecdotes to be shared with the public during the event. Light refreshments will be served.

LSVT BIG™

GROUND BREAKING TREATMENT

Over the past 20 years, and thanks to funding by the National Institute of Health, the LSVT Programs have undergone extensive research and development.

The resulting techniques offer enormous improvements to individuals with Parkinson's Disease including faster walking speed with bigger steps, improved balance and increased trunk rotation, in turn improving overall quality of life.

Treatment is administered in 16 sessions: 4 consecutive days per week for 4 weeks.

Individual, 1 hour sessions, daily homework practice, and daily carryover exercises are provided as part of treatment. The LSVT BIG protocol is both intensive and complex, with many repetitions of core movements that are used in daily living.

LSVT BIG is currently offered to

Guess a six-pack wasn't a good way to celebrate after all.

Join ASAP to celebrate sober driving at the Anderson County Fair's Truck Pull on July 14th and 15th!

This material was developed through a project funded by the Tennessee Highway Safety Office.

JULY IS NATIONAL VEHICLE THEFT PREVENTION MONTH

Breaking into your car takes seconds. So does preventing it. Every 46 seconds a motor vehicle is stolen in the United States.

Unfortunately, only 45% of stolen vehicles are recovered. Summer, one of the busiest times of the year, has the highest vehicle theft rates, the highest months being in July and August. The Rocky Top Police Department would like to provide residents of Rocky Top with some preventative tips on how to keep your vehicle safe during the coming months from the National Highway and Traffic Safety Administration.

Don't make your vehicle a Target.

Nearly half of vehicle theft is due to driver error, such as leaving your keys in the vehicle. Use common sense when you park by:

- Always taking your keys and not leaving them in or on your vehicle.
- Closing windows and locking doors.
- Parking in well-lit areas.
- Never leaving valuables in your vehicle, especially where they can be seen.
- Never leaving the area while your vehicle is running.
- Keeping your vehicle in your garage, if possible.

If you find yourself in the unfortunate situation where your vehicle has been stolen, follow these steps:

- Contact police immediately to file a stolen-vehicle report. You'll need a copy of the police report and/or a case number to provide to your insurance company. You may also be asked to provide the following information:
- License plate number;
- Make, model, and color of vehicle; and
- VIN and any identifying characteristics.

Contact your insurance company to file a claim within 24 hours of when you discovered your vehicle was stolen. If you find your vehicle before the authorities do, contact the police and your insurance company immediately.

Big Clinch River Cleanup!

Registration is still open for everyone who wants to help with the fourth annual Big Clinch River Cleanup on Saturday, July 23. It starts at 8 a.m. with breakfast at the scenic Museum of Appalachia, 2819 Andersonville Highway, Norris. The cleanup will wrap up about 2 p.m.

Everyone who enjoys the river, from anglers to kayakers to wildlife watchers, is invited to help remove litter from the Clinch and its banks. The communitywide cleanup is an expansion of annual pickups run for many years by members of the Clinch River Chapter, Trout Unlimited, which hosts the event. Last year, 106 volunteers from 30 ZIP codes gathered tires and trash from the river.

Volunteers work in a variety of ways:

* Above the water line, workers walk along riverside roads and through parking areas, gathering trash.

* Volunteers wearing waders patrol for litter in shallow water.

* In kayaks and canoes, volunteers work to clean shorelines and shallow water where there is no public access by road.

* In powerboats, volunteers haul tires and other items from the depths.

Support for all the teams is supplied by volunteering emergency medical people, ham radio operators, tire disposal professionals and workers with trucks who collect and dispose of filled trash bags.

This year, the first 100 volunteers to register will qualify for a free full breakfast at the picturesque museum (expenses of the meal are supported by a grant from the Tennessee Valley Authority). To sign up, please visit <http://crtu.org> and click on Big Cleanup Registration. For more information, contact Buzz Buffington at buzz.buffington@gmail.com or (865) 463-7167, or Jim Ferguson at jimferguson41@gmail.com or (865) 494-8081. The event will be held rain or shine (in case of severe weather, the breakfast will be held but volunteers will stay on shore).

PARK NEWS

Each year, Park Rangers and volunteers assist with the VERY LONG (50K) race sponsored by the Knoxville Track Club. The race starts/finishes in the east side of the park at the picnic shelter and utilizes many park trails before entering the Norris Watershed for lots of elevation changes. Showing their appreciation is Michael DeLisle presenting a check for \$660 to Park Manager Mark Morgan. Chris George shared in the donation. The funds will be used to purchase back country equipment for the Rangers. Looking forward to November and we'll do it again! Thank you Knoxville Track Club.

The Creek Critters program is one of the more favorites offered by Seasonal Rangers Brittney and Josh. What better way to spend a hot afternoon than playing in Clear Creek down by the Grist Mill. Check with the park office for all the opportunities to enjoy Norris Dam State Park this summer.
